ABOUT ME

I am a Electronics and communication engineering student specializing in automobiles and embedded systems. Demonstrated success in applying theoretical knowledge to practical challenges through innovative projects. Strong focus on advanced diagnostics and project leadership, fostering teamwork and utilizing data analysis to drive results.

SKILLS

- Advanced diagnostics
- Solution-oriented approach
- Team collaboration
- Multitasking
- Enthusiastic learner
- Project leadership

EDUCATION

**B.E / MEPCO SCHLENK ENGINEERING
COLLEGE, SIVAKASI, TN.
MAY 2027**

Bachelor of Engineering in the discipline of
Electronics and Communication
engineering.

SPECIALIZED IN EMBEDDED SYSTEMS, IOT INTEGRATION AND AUTOMOTIVE ELECTRONICS

HOBBIES

- Innovative & Futuristics IoT integration
- Automotive Digital twinning
- Simulation & model creation
- Pencil portrait & sketch
- Graphic designing
- Multi-media reworks

CERTIFICATIONS

NPTEL Enthusiast - NPTEL

Roadmap for patent creation - NPTEL

Simulation of Communication Systems using Matlab – NPTEL

Electronics System Design: Hands-on Circuits & PCB Design with CAD Software-NPTEL

Digital design with Verilog - NPTEL

Introduction to Internet of Things - NPTEL

Introduction to Industry 4.0 & Industrial Internet of Things – NPTEL

Fundamentals of Artificial Intelligence - NPTEL
